

Dear Friends,

Thank you for your interest in Denver Christian Academy! We encourage you to explore our school's environment and spend some time discovering how Denver Christian Academy is equipping its students to meet the challenges of today's world, as well as those of the future.

We fill our school family with Christian teachers who seek to put Christ at the center of their lives and desire to teach the children to do the same. We would like for you to become part of our family. We take our mission very seriously.

"Denver Christian Academy (DCA) is an individually tailored approach to education centered in God's Word. We provide strong academics in a nurturing environment, where students grow spiritually, intellectually, emotionally and socially through Christian values. At DCA, students achieve this personal success when each individual unlocks what God designed them to be."

The key to our success pursuing this mission is a unified effort by the family, the church, and the school. Denver Christian Academy is a special place where the well-being of the whole child, spiritually, physically, and academically, is of the highest priority.

We understand that this is one of the most important decisions you will make for your family. Choosing the right school for your child is a difficult decision, and we hope to assist you in every way that we can. We pray for a Blessing on you and your family. If we can be of any further assistance, please do not hesitate to call us at (704) 483-2207 or email us info@DenverChristianAcademy.com.

In His Service,
